

SAFEGUARDING SUPPORT OFFICER LEVEL 3

Develop the Skills to Keep Others Safe

The Designated Safeguarding Officer Level 3 apprenticeship helps your team recognise, respond to, and manage safeguarding concerns confidently and in line with current legislation. Learners gain skills in identifying abuse, making referrals, and leading safeguarding procedures across the organisation. This supports a safer, more vigilant workplace and strengthens your organisation's duty of care. The programme also ensures your safeguarding leads stay up to date with policies, legal requirements, and best practice. On completion, learners are equipped to act as the first point of contact for safeguarding concerns and promote a culture of safety and accountability.

We launch new apprenticeship cohorts every quarter, providing regular opportunities for enrolment and progression – contact us at training@clearquality.co.uk or call 01709 918501.
